Advocates & Legal Consultants

"I regard it as a duty which I owed, not just only to our clients, but also to my profession, to the practice of law, and to the justice for all. I believed that in taking up a stand against any injustice I was upholding the dignity of what should be an honorable profession."
Founder,
Late Mr. Mohammed Al Bahar

Maaf Legal

We are Country's Trusted lawyers

Banking and Investment we work with our clients in managing their relationships with their banks or investment funds. We review terms and conditions of banking and investment products and services, provide legal advice on risk associated with investments and support clients in complex transactions.

Business Formation we set up and assist in forming all types of onshore or offshore companies for our clients, we craft documents to tailor business requirement including but not limited to shareholders agreements, joint venture agreements, resolutions, internal corporate governance and policies.

Commercial we negotiate all types of commercial contracts, including but not limited to contracts for sale of good and services, payment instruments, insurance and investment, use of technology, franchise, distribution, intellectual properties licensing and exploitation.

Debt Restructuring we act on behalf of non-performing clients, we review their historical respective relationship with the creditors or lenders, their documentation, their capabilities of repayment and how to enhance their position by securitizing debts. We negotiate re-structuring proposals and payment plans with the aim to reach out to mutual resolution.

Litigation we represent clients in all types of disputes including but not limited to actions related to civil, commercial, rental, employment, family and inheritance matters. We appear and pursue cases before all courts and rental dispute resolution committees in the United Arab Emirates including the federal courts, the local courts in Dubai, Abu Dhabi and Ras Al Khaimah as well as the court in Dubai International Financial Center (DIFC), and the Abu Dhabi Global Market (ADGM). We also represent clients in criminal proceedings and provide such necessary professional assistance at the prosecution or during the trial.

Real Estate we provide a step-by-step legal assistance to our clients through their real estate investment journey, by reviewing contracts with brokers, drafting and editing booking forms, letters of intent or memorandum of understandings (MOU). We review and negotiate sale and purchase agreements (SPA), conduct impediment checks, and advise on other paperwork required for property registration.

THE WORLD'S LEADING INSPECTION, VERIFICATION, TESTING AND CERTIFICATION COMPANY

We are recognized as the global benchmark for quality and integrity. With more than 89,000 employees, we operate a network of more than 2,600 offices and laboratories around the world. Our services enable you to operate in a more sustainable manner by improving quality and productivity, reducing risk, verifying compliance and increasing speed to market. In the Middle East, SGS is a leading force in providing its clients with wide range of services through its major business lines.

CONNECTIVITY & PRODUCTS

Covers entire chain of Consumer & Retail goods (Softline, Hardline, Electrical & Electronics), various types of In-process Verification & Inspections, Pre- shipment Inspections, Factory Audit, Damage Surveys and Certificate of Conformity (CoC) etc. Provides Innovative services for Governments Organizations across the Public and Private sectors covering a variety of verification and technology based solutions. We assess compliance with Product Safety & Regulatory requirements, enhance Government Revenue, Facilitate Trade, Support Efficiency & Transparency and promote good governance along with sustainable development. Support businesses with Testing Services across multiple product scopes and standards.

HEALTH & NUTRITION

Includes Inspection and Sampling services, Weighing, Loading & Discharge supervision, Test & Analysis, Risk Management, Quality, Quantity, Condition and Damage surveys, Fumigation, Integrated Pest Management, Disinfection Stock Assessment, Training (Food Hygiene, Health and Safety) & Certification (GMP, Global GAP, BRC, ISO 22000, FSSC 22000 & HACCP, SQF, IFS), Organic Certification, Food label review, Health Science, Crop Science, Cosmetics & Hygiene, Drug Development, clinical research , analysis & compliance. Food contact tests, Microbiological & Chemical Testing & Auditing for safe quality food.

NATURAL RESOURCES

Activities include Quantitative & Qualitative Inspection of crude oil, Agricultural & Chemical commodities, gas, refined products, petrochemical products, Lab Testing, Upstream Well Site Services (Surface Well Testing, Multiphase Metering, Wireline, Slickline, Drill Stem Testing, Portable and Fixed Lab Sampling Analysis, Early Production Facility and Subsurface Consultancy), Sample Management, Transformer Oil Testing, Used Oil Testing, Metering & Instrumentation Inspection services. In addition to Weighing, Loading & Discharge Supervisions, Test & Analysis, Risk Management, Quality, Quantity, Condition and Damage surveys, Fumigation, Integrated Pest Management, Disinfection, Stock Assessment, Stock Monitoring Services, Minerals Exploration, Mining & Minerals processing, Mining Information Technology, Trade Shipping, Onsite Laboratory Services, etc.

INDUSTRIES & ENVIRONMENT

Includes Environmental and Safety Due Diligence, Technical Assessments, Audits, Environmental Testing & Field Services, Consulting and Advisory services, Independent Third-Party Inspection Services for worldwide Supply Chain activities, Standard/Specialized Non-Destructive Testing (NDT), Asset Integrity Management (AIM) Programs, Quality Assurance & Control services etc. for Materials, Equipment and Projects in the Oil & Gas, Energy & Power, Infrastructure and associated industries. Fuel Retail services, Cargo Treatment, Fuel Integrity Programs, Oil Condition Monitoring, Upstream Services, Oil Condition Monitoring, Metering and Calibration Services, Sample Management pertaining to various Plant and Terminal Operation activities in the Oil & Gas sector. Vehicle Compliance and specific Government mandates.

KNOWLEDGE

Includes Certification & Training against management system standards including ISO 9001, ISO 14001, ISO 45001, OHSAS 18001, ISO 22301, ISO 27001, ISO 20000, ISO 28000, ISO 50001, ISO 55001, ISO 26000, ISO 44001, ISO 10002, IATF 16949, ISO 18295-1, ISO 29993, ISO 14452 (ISO 22716, WHO GDP), Innovation Management , Customer satisfaction survey and audits against criteria
